Highlights

Total access to iPhone
The openings on this case allow total access to all iPhone controls, the dock connector and the camera, so you can fully utilise iPhone while it's protected inside the case.

Shock-absorbing case
This case is made out of thermoplastic polyurethane, which is a high-performance elastomer, to add both grip and shock-absorption in one unique case.

Slim, pocket-friendly design
The slim design adds protection with minimal added bulk, so your device still fits easily into your pocket or bag for protection on the go.

Wrap-around protection
The material of this case wraps around from back to front, providing protection for the corners and perimeter of your device's face.
